

# Telly's Story

## Activities for Parents and teachers

1. Talk about which animals lay eggs and which animals do not. Click on the Coloring Pages Tab to get a cut and paste activity to do.
2. Some people have said that Telly's Story reminds them of P.D. Eastman's book, "Are You My Mother?" Read that book and compare and contrast the two.
3. Research and find some other books that are about animals who have friends that are different than they are. Here are two titles we found: "Friends: True Stories of Extraordinary Animal Friendships" (Thimmesh), "Unlikely Friendships: 50 Remarkable Stories From the Animal Kingdom" (Holland).
4. Write your own story about 2 different animals who are friends. Tell how they met and what they like to do together.
5. In Telly's Story, the pelicans take a nap on the rocks. Think of different kinds of animals and make a list of places where they would probably sleep.
